Upcoming RIBA West Kent Branch Event

* Building Talk & Tour

Venue: Leigh Technology Academy, Dartford, DA1 1QE

Date: Saturday 13th March 2010, 10:00am start

Cost: £10/person

Speakers:

Frank Green, CEO, Leigh Technology Academy

Keith Papa, Architect Director, BDP

Leigh Technology Academy embodies many of the principles of the BSF movement, a 21st Century 'schools within a school' approach that redefines the teaching environment, integration of technology, sustainability and life-long learning combined to form this award winning building.

Places are limited to 30 so please book early to avoid disappointment. Free parking is available at the Academy. Please contact James Galpin, jamesg@hmy.uk.com to register your interest in attending this informative talk & tour of this innovative and award winning Academy.

Supplement your CPD to meet your obligations by attending one of our popular building visits or Branch CPD events. Please contact us for further information on our upcoming programme of events and details on how you can participate in your regional Branch.
