The headquarters of BDP.khandekar is located in the former town hall of Benthuizen, a characteristic building with a distinctive roof and architecture. Over the years the building is redeveloped in such a way that it can accommodate its current use whilst maintaining its distinctive appearance.

By car

Benthuizen is easily accessible from the A12 (exit 8) and the A4 (exit 6A). In front of the office car parking is available.

By public transport

Bus 165 (direction Alphen aan den Rijn) stops at the stop Prins Bernhardstraat next to the office. The bus departs from Station Zoetermeer Centrum West. However this is an infrequent bus connection.

A good alternative is to take a train-taxi at the train Station Zoetermeer that takes you to Benthuizen.
